(Note: Only a section 501(c)(7), (8), or (10) organization can check box(es) for both the General rule and a Special rule - see instructions.) General Rule -X For organizations filing Form 990, 990-EZ, or 990-PF that received, during the year, \$5,000 or more (in money or property) from any one contributor. (Complete Parts I and II.) Special Rules -For a section 501(c)(3) organization filing Form 990, or Form 990-EZ, that met the 33 1/3% support test of the regulations under sections 509(a)(1)/170(b)(1)(A)(vi) and received from any one contributor, during the year, a contribution of the greater of \$5,000 or 2% of the amount on line 1 of these forms. (Complete Parts I and II.) For a section 501(c)(7), (8), or (10) organization filing Form 990, or Form 990-EZ, that received from any one contributor, during the year, aggregate contributions or bequests of more than \$1,000 for use exclusively for religious, charitable, scientific, literary, or educational purposes, or the prevention of cruelty to children or animals. (Complete Parts I, II, and III.) For a section 501(c)(7), (8), or (10) organization filing Form 990, or Form 990-EZ, that received from any one contributor, during the year, some contributions for use exclusively for religious, charitable, etc., purposes, but these contributions did not aggregate to more than \$1,000. (If this box is checked, enter here the total contributions that were received during the year for an exclusively religious, charitable, etc., purpose. Do not complete any of the Parts unless the General rule applies to this organization because it received nonexclusively religious, charitable, etc., contributions of \$5,000 or more Caution: Organizations that are not covered by the General rule and/or the Special rules do not file Schedule B (Form 990, 990-EZ, or 990-PF) but they must check the box in the heading of their Form 990, Form 990-EZ, or on line 1 of their Form 990-PF, to certify that they do not meet the filing requirements of Schedule B (Form 990, 990-EZ, or 990-PF). Schedule B (Form 990, 990-EZ, or 990-PF) (2001) If a section 501(c)(7), (8), or (10) organization received contributions or bequests for use exclusively for religious, charitable, etc., purposes (sections 170(c)(4), 2055(a)(3), or 2522(a)(3)) -

List in Part I each contributor whose contributions total more than \$1,000 during the year that were for a religious, charitable, etc., purpose. To determine the \$1,000, aggregate all of a contributor's gifts for the year (regardless of amount). For a noncash contribution, complete Part II.

All section 501(c)(7), (8), or (10) organizations that received any charitable contributions and listed any charitable contributors on Part I must also complete Part III.

If a section 501(c)(7), (8), or (10) organization received charitable gifts, but is not required to list any charitable contributors on Part I, check the box on line A at the top of Schedule B (Form 990 or 990-EZ) and enter the amount of charitable contributions received in the space provided. The organization need not complete and attach Part III.

Specific Instructions

Note: You may duplicate Parts I, II, and III if more copies are needed. Number each page of each Part.

Part I. In column (a), identify the first contributor listed as no. 1 and the second contributor as no. 2, etc.

Number consecutively. Show the contributor's name, address, aggregate contributions for the year; and the type of contribution (e.g., whether an individual, payroll, or noncash contribution). Report payroll contributions by listing the employer's name, address, and total amount given (unless an employee gave enough to be listed individually).

Part II. In column (a), show the number that corresponds to the contributor's number in Part I. Describe the noncash contribution fully. Report on property with readily determinable market value (i.e., market quotations for securities) by listing its fair market value (FMV). For marketable securities registered and listed on a recognized securities exchange, measure market value by the average of the highest and lowest quoted selling prices (or the average between the bona fide bid and asked prices) on the contribution date. See Regulations section 20.2031-2 to determine the value of contributed stocks and bonds. When market value cannot be readily determined, use an appraised or estimated value. To determine the amount of a noncash contribution that is subject to an outstanding debt, subtract the debt from the property's fair market value.

Part III. Section 501(c)(7), (8), or (10) organizations that received contributions or bequests for use exclusively for religious, charitable, etc., purposes must complete Parts I through III for those persons whose gifts totaled more than \$1,000 during the year. Show also, in the heading of Part III, total gifts that were \$1,000 or less and were for a religious, charitable, etc., purpose. Complete this information only on the first Part III page.

If an amount is set aside for a religious, charitable, etc., purpose, show in column (d) how the amount is held (e.g., whether it is mingled with amounts held for other purposes). If the organization transferred the gift to another organization, show the name and address of the transferee organization in column (e) and explain the relationship between the two organizations.
